

Technical and Bibliographic Notes/Notes techniques et bibliographiques

The Institute has attempted to obtain the best original copy available for filming. Features of this copy which may be bibliographically unique, which may alter any of the images in the reproduction, or which may significantly change the usual method of filming, are checked below.

L'Institut a microfilmé le meilleur exemplaire qu'il lui a été possible de se procurer. Les détails de cet exemplaire qui sont peut-être uniques du point de vue bibliographique, qui peuvent modifier une image reproduite, ou qui peuvent exiger une modification dans la méthode normale de filmage sont indiqués ci-dessous.

- ☐ Coloured covers/
Couverture de couleur
- ☐ Covers damaged/
Couverture endommagée
- ☐ Covers restored and/or laminated/
Couverture restaurée et/ou pelliculée
- ☐ Cover title missing/
Le titre de couverture manque
- ☐ Coloured maps/
Cartes géographiques en couleur
- ☐ Coloured ink (i.e. other than blue or black)/
Encre de couleur (i.e. autre que bleue ou noire)
- ☐ Coloured plates and/or illustrations/
Planches et/ou illustrations en couleur
- ☐ Bound with other material/
Relié avec d'autres documents
- ☐ Tight binding may cause shadows or distortion
along interior margin/
La reliure serrée peut causer de l'ombre ou de la
distorsion le long de la marge intérieure
- ☐ Blank leaves added during restoration may
appear within the text. Whenever possible, these
have been omitted from filming/
Il se peut que certaines pages blanches ajoutées
lors d'une restauration apparaissent dans le texte,
mais, lorsque cela était possible, ces pages n'ont
pas été filmées.

An Earth Closet is a mechanical contrivance to conveniently cover excrement with dust, peat, and lime are excellent absorbents and deodorisers. This covering *neutralizes the matter itself*. The pail needs to be emptied about once a week—once in two or four weeks perhaps.

The "HEAP'S PATENT" EARTH CLOSET is the best known and by far the most purpose. *It gives out no odour*; is not ill-looking; its usefulness is not limited to 2 ft. wide, and 2 ft. 5 in. deep.

THE EARTH CLOSET is regarded as indispensable wherever there are not satisfactory "modern improvements" are rarely as satisfactory. The "Cabinet" Earth Closet demonstration of the efficiency and convenience of the system, *the real value considerations, and are most obvious to medical men.*

"The earth closet is one of the most useful inventions of modern times."—*Re.*

"The privy stands perhaps, at the bottom of the garden, fifty yards from the bordered by grass, wet except during the sunny part of the day, overhung by shrubs block the way, and during rain there is no shelter from any side; the house itself with rain. A woman who is comfortably housed during stormy weather, will positively over now *the barbarous foulness and odour*—it is only as an unavoidable evil urge attention to the point taken above, and insist on the fact, that every consideration reform of this abuse. The water closet has reformed it in the city, the earth closet

"Nothing can be more effectual, and its use has every sanitary advantage."—*G.*

"We use it in our sleeping rooms and find *not the slightest offense*."—*G.*

"The only practical objection to them which has *hitherto existed is removed the solid excreta*."—*Dr. J. Baker Edwards, Public Analyst, Montreal.*

"The dry earth system is the best system of dry sewage; it will *not endanger* while in use; *found them to answer admirably*."—*Alan MacDougall, C.E., Toronto.*

"We have 18 Earth Closets, your make, in satisfactory use for six or more years

"*50 in use constantly since 1878*—strongly recommend them—they are in use in *Union Workhouse, Eng.*

"Had 10 in our mills since 1878 (6 years)—answer admirably, being *free from*

"The 2 Earth Closets and Commode now *in use 10 years* continue to give e

"The Earth Closets (6) you put in for me in 1875 (9 years since) have *not* near *Macelesfield, Eng.*
